

Richmond

A fourteen foot wall of windows with a sunburst at its peak illuminates the elegant living room with fireplace surrounded by a sunny garden room and deck. A spacious formal dining room and oversized kitchen complete your entertaining area. An upstairs gallery overlooking this two-story great room leads to two bedrooms and two baths featuring a master suite with twelve foot ceilings, bay windows and a garden bath with whirlpool oval tub. The “Richmond” which offers architectural elements from classic Uptown residences in its exterior design, is perfect for your elegant parties.
